**NEW INNOVATION AND ENTERPRISE CENTRE - Brief No. 002**

Further to our initial briefing back in August, we are now able to share a few building images with you. This briefing is also available on our website along with location maps and further information in the form of FAQs. If however you would like to discuss this exciting new venture, please do not hesitate to contact me.

Views of the Atrium/Foyer designed for encouraging collaboration.

External Shots - the café will spill out onto the frontage.

**These are early concept images and may be subject to change.**
